

Confederation of Indian Industry

**List of Shortlisted companies for the final presentation at  
5th Edition of CII - Environmental Best Practices Award 2018 : 27 June 2018, ITC Grand Chola, Chennai**

S.No	Sector	Name of the Company	Projects	Under the broader title of
1	Engg	Bosch, Nashik	Installation of Waste Heat Evaporator for RO Reject Management	Waste Management & Recycling
2	Engg	Brakes India, Arakonam Road	Reduction in Resin , Activator & Catalyst Consumption	Material Conservation
3	Engg	Burckhardt, Pune	Waste is wealth (Waste Management & Recycling)	Waste Management & Recycling
4	Oil and Gas	Cairn Oil & Gas, Vedanta Limited	Natural Gas Recovery - Zero Flaring during Frac Well Milling operation.	Climate Change & Mitigation
5	Chlor-Alkali	DCM Shriram	Reduction in generation of Brine Sludge by using Washery Salt in place of natural sea salt to avoid impurities	Waste Management & Resource Conservation
6	Distillery	E.I.D Parry (India) Limited; Sivaganga Taluk	Waste disposal & handling For attaining ZLD status	Waste Management & Pollution Control
7	Engineering	Godrej & Boyce, Interio Division	Carbon Sequestration through a Vendor Cluster initiative in Beyond Sourcing Programme	Green Supply Chain
8	Chemical	Godrej Agrovet Limited- Astec Lifesciences	Baccomber Cooling System: A chemical Free Cooling Tower	Material Conservation & Pollution Control
9	Automobile	Hero MotoCorp Ltd, Neemrana	Green Vendor Development Program	Green Supply Chain
10	FMCG	Hindustan Unilever Ltd., Khamgaon	100% Sustainable Sourcing of Finished Goods Secondary Packaging	Resource Conservation
11	Non Ferrous Metal	Hindustan Zinc Limited	Use of Lead – Zinc Industry Wastes in Construction Sector	Waste Management & Resource Conservation
12	Automobile	Honda Motorcycle and Scooter India Pvt.ltd	a) Optimizing gas flow to reduce the consumption of welding gas; (b) Scrap Compaction Techniques for Metal scrap & (c) Reduction of polythene packing material consumption by introducing cage pallet	Resource Conservation
13	Tyre	JK Tyre & Industries Ltd	Replacement of chalk powder with LDPE sheets for natural rubber packing	Waste Management & Resource Conservation
14	Automobile	Mahindra & Mahindra Ltd, Nagpur	Waste to Wealth- Reform, Perform & Transform through Frugal Approach	Waste Management & Resource Conservation
15	Steel	Mahindra Sanyo Special Steel Pvt Ltd, Khopoli, Maharastra	Setting Science Based GHG emission reduction targets in line with climate science	Climate Change & Mitigation
16	Textile	RAYMOND UCO DENIM PVT LTD.	Environment Sustainability With Use Of Post Consumer Cotton Waste (PCW) in denim fabric manufacturing & ENVIRONMENTALLY SUSTAINABLE "CADIRA DENIM" PRODUCT	Product Responsibility Management
17	Paper	Tamil Nadu Newsprint and Papers Limited	"Elimination of sodium Hydroxide in CBECF Oxygen Delignification stage"	Material Conservation & Pollution Control
18	Steel	Tata Steel, Jamshedpur	Sustainability Initiatives in Tata Steel's Shipping Operations	Green Supply Chain
